

March 28, 2013

Dear Customer:

Item 126936, silicone oil, does not have a Certificate of Analysis. This item is used only to polish glass and is not used as a chemical reagent in any testing. Hach does not assign an expiration date to this material. If you must report an expiration date for regulatory purposes, please state 10 years from the date you received the product. If you need a MSDS for this product please visit www.Hach.com and use the MSDS link on the homepage.

Sincerely,

Scott Als
Hach Company
